Stay Up To Date with BC Soccer

BC Soccer is pleased to be reaching out directly to you to keep you informed of soccer related activities throughout British Columbia. You are receiving this e-mail because you, or one of your children, were registered and participated in soccer under the umbrella of BC Soccer within the last 12 months.

Our plan is to send approximately 6-10 newsletters/e-mails throughout the year to help raise awareness on various aspects of soccer in BC. The types of information we will look to share include provincial championships information, coaching and referee initiatives, scholarship and grant opportunities and similar items.

We will not be pushing any products or looking to sell anything to you, although we may make you aware when tickets for national team matches are opening. To receive the newsletters there is nothing more to you need to do. If you do not want to receive the newsletter you can unsubscribe at any time at the bottom of the page.

Thank you and we look forward to working with everyone to continue to grow and develop this beautiful game in British Columbia.

What does BC Soccer do?

As this is the first time that BC Soccer is communicating directly to participants, we understand that some people may not be fully aware of what BC Soccer is and does; therefore, we encourage you to watch this short video: <https://www.bcsoccer.net/about-us>

#RespectAll

We would also like to take this opportunity to make you aware of BC Soccer's #RespectAll initiative. The initiative looks to highlight great sportsmanship and eliminate poor behavior on the field and on the sideline. To increase awareness BC Soccer

has created signs to help all involved in soccer remember to be Respectful and to #Respectall while at pitches and facilities across British Columbia; these signs are available to member organizations and their affiliated clubs. For more information on this initiative, visit us here: <https://www.bcsoccer.net/respect-all>

Please Remember:

These are kids
Everyone's here to have fun
Officials are human
Be Respectful!
