Attention: BC Soccer Full/Associate Members and Affiliated Soccer Clubs

From: Chris Cerroni, Director of Soccer Development, BC Soccer

Re: Return to Play – Phase 1 - Support

Dear Full/Associate Members and Affiliated Clubs,

On behalf of BC Soccer, we are pleased to hear that your organization is taking the required steps to return to play for phase 1 including completing Canada Soccer's Return to Soccer Assessment Tool.

We appreciate that these are unique and challenging times, therefore we would like to offer your organization additional support in one of the following ways, and on a request basis:

Technical Support - Consultation Meeting

- A BC Soccer Development Staff Member can host a 1-hour Zoom meeting with the organization's designated Technical Lead/Director with the intent to provide any feedback on the organization's on-field technical plan and to answer any specific questions as needed.

Technical Support - Consultation Visit*

- A BC Soccer Development Staff Member can attend a training session with the intent to provide, visual support to the organization. As well as an opportunity for organizations to receive feedback on the implementation of their on-field technical programming.

*Due to current travel restrictions at this time the Consultation visits will only apply to organizations within the Lower Mainland.

If this is of interest, to book either a meeting or visit, please would you click on the link provided.

[Request Form](#)

We look forward to continuing to support you during this time.

Kind regards,

Chris Cerroni
Director of Soccer Development
BC Soccer
