**Re: Job Opportunity – Staff Coaches**

**About North Delta FC**

North Delta FC (NDFC) was established in April of 2020. We are the amalgamation of North Delta Soccer Club with over 50 years of history and Surdel Girls Soccer Club with over 40 years of history. Our parent clubs have achieved great success in soccer over the past 50 years while still upholding the values of our clubs and community. We honor and cherish our history of both North Delta Soccer Club and Surdel Girls Soccer Club but as one, we are now able to offer a complete soccer experience for boys and girls in our community. Our goal is to provide a safe and positive experience for the members of our community to play the beautiful game of soccer. To continue the traditions that we have upheld in the past and to create new ones as NDFC.

We provide staff coach support to every team at the club and run many Academy programs and Camps throughout the entire year. We are looking to grow and add the right people in the right areas to help with this.

**Job Requirements:**

- Preferably CSA C/B License certification with preference given to those who have, or are currently enrolled in, the CSA Children's and/or Youth License (or similar e.g. UEFA Licensing or youth modules)
- Our remuneration is partially based on the level of certification that coaches have. We do take on a limited number of junior coaches who do not need their C License but must have completed the four LTPD courses (Active Start, Fundamentals, Learn to Train and Soccer For Life) that serve as a prerequisite for the C License.
- An up-to-date Criminal Record Check, including the Vulnerable Sector Check.
- Proven experience working in a youth club environment and preferably with some if not most of that experience being with recreational players.
- For our younger ages it is important that our coaches can demonstrate the 1v1 skills, so a good playing background is helpful.
- Respect in Sport Activity Leader Module

**Key responsibilities:**

- Preparing and delivering engaging and educational sessions to support player development
- Follow clubs game model and player development model
- Ability to follow age-appropriate curriculum
- Liaising with parents/guardians both formally and informally to provide a positive and welcoming environment
- Be a positive role model to all Players
- Promote and highlight good practices
- Carry out player and session evaluations on a regular basis
- Liaising with parent volunteer coaches, providing support to these coaches and helping them with session delivery

**Why work with North Delta FC**

- Generous remuneration package
- Access to our club partner “Thecoachingmanual” for curriculum and session plans
- Internal and external coach education through inhouse club workshops and externally through coaching courses
- A fun, positive environment whereby you can have a positive impact on the community

Most work is on weekday evenings and weekends. At spring break and during the summer we will need staff for camps that run in the mornings or afternoons.

Staff coaches report to Brendan Teeling, our Technical Director. If you are interested or have any questions please contact and/or send your CV and cover letter to him at [techdirector@northdeltafc.com](mailto:techdirector@northdeltafc.com)

North Delta Football Club is an equal opportunity employer. If you require accommodations for the recruitment/interview process, please let us know, and we will work with you to meet your needs. Due to COVID-19 restrictions, interviews may be conducted virtually. We would like to thank all applicants for expressing their interest, but only those invited for formal interviews will be contacted.
