

# SportMedBC

## COURSES & WORKSHOPS

*SportMedBC can help to enhance coaching knowledge and application by providing the most up to date best practices in sport safety, injury prevention and injury management.*

*All courses and workshops are taught by our SportMed Safety Instructors. Athletic Therapists, Sports Physiotherapists, Strength and Conditioning Specialists, Dieticians and Physicians deliver sport specific lessons in an interactive format.*

Supporting BC's Provincial Sport Organizations through...  
Best People, Best Practices, Best Programs
