

BC SOCCER

TIPS FOR A GOOD VIDEO!

- **GOOD LIGHTING HELPS!**

Try to avoid light behind you, this way, we can see you better!

- **AUDIO QUALITY IS KEY!**

Be as close to your phone/mic as possible or use your earpiece with microphone.

- **USE A STEADY HAND!**

Gimbals are great for **motion videos**, but if you **don't have one**, try to **have your camera person move as smoothly as possible**.

- **BE CREATIVE!**

Show us your personality and have fun! Remember, creativity doesn't have to be elaborate. Show us your personality and who you are!
