1. Introduction

a. Purpose

The Referee Upgrade Program is designed to identify, educate, and develop Referees who seek promotion to Regional or Provincial classification in British Columbia.

b. Objectives

1. The purpose of this program will concentrate efforts towards the development and growth of Regional and Provincial Referees in the province.
2. Provide emphasis of the Referee Pathway along the Performance stream.
3. Develop a platform for advancement of Referees from District to Regional list and Regional to Provincial list.
4. Highlight and implement a standards-based approach with respects to performance measures and level of professionalism.

c. Pathway

Referees who are considered for the Referee Upgrade Program are progressing through the Referee Pathway under the Performance stream.

- Candidates entering the Regional upgrade component of the program will be applying as a Grade 8 based on the Grading Protocol. Successful completion of the program will promote the classification to a Grade 9 Regional Referee.
- Candidates entering the Provincial upgrade component of the program will be applying as a Grade 9 based on the Grading Protocol. Successful completion of the program will promote the classification to a Grade 10 Provincial Referee.

For an overview, please see the BC Grading Protocol and Referee Pathway.

Please ensure to review the appropriate section of this document for the upgrading components that apply to you.
