

BC SOCCER

FINANCE PROCEDURES

June 2024

INTRODUCTION

The purpose of these procedures is to support the operational in compliance with the Operational Policy.

Expenditure Approval

Before approving any expense, each approver will ensure the expense request is within the budget for the current fiscal year. The Staff Director is responsible for ensuring the expense request does not exceed actual expenses incurred to date and forecasted expenses for the remainder of the year.

Approvals of expenses outside of budget may have their authorization suspended or revoked, or receive other disciplinary action considered appropriate by the Chief Operating Officer or the Board of Directors solely for the Chief Operating Officer.

The approver will ensure the expense is supported by back up documentation such as an invoice, cheque requisition, contract, etc.

Expenses Outside of Budget

Expenses which are outside of the approved budgets must be reasonable, and in alignment with the current strategic plan. The Chief Operating Officer has the authority to approve such expense up to a limit of \$30,000. Any commitment above this amount shall be approved by the Board of Directors.

Capital Assets

A capital asset purchased which exceeds the capitalization threshold amounts set out below shall be amortized at the following rates:

Asset Class	Amortization Rate
Computer Software	3 years straight-line or over life of the software license
Computer hardware and, equipment	2 to 5 years straight-line over expected useful life
Capital Leases	Straight-line over lease term
Buildings	Straight-line over expected useful life
Furniture and equipment	8 years straight-line
Marketing materials, banners, signage	3 years straight-line
