

The **Canada Soccer C Diploma** course is a 10-month program which includes online tasks and group webinars followed by two onsite in-person workshops with coaches participating in classroom theory as well as on field practical sessions. A development period between the two workshops allows coaches to practice what they have learned. To conclude the program, coaches will undergo a final assessment. Successful candidates will receive a Licence valid for 3-years. We offer three regional courses per year with a mid-week schedule that has been designed to alleviate conflicts arising with coaching duties and matches on weekends. 100% attendance is required.
