

### **About the South Burnaby Metro Club (“SBMC”)**

SBMC was founded in 1952 to bring the benefits of sport experiences to the youth of Burnaby. It currently operates 4 sports (basketball, baseball and volleyball as well as a robust soccer program). One of SBMC Soccer’s goals (pun intended) is to continue to improve the breadth, depth and overall quality of its technical program. SBMC wishes to add to its technical staff headed by its technical director, Ajit Braich.

**Position:** Staff Coach(es)

**Reporting to** the SBMC Technical Director our staff coaches play an important role in both attracting, retaining and promoting players as well as providing ongoing support to SBMC’s volunteer coaching base. Successful applicants will assist in the professional delivery of a variety of soccer programming and activities.

### **Essential Duties and Responsibilities**

- Assisting the Technical Director with program delivery and the implementation of age-appropriate training plans.
- Providing hands-on support to SBMC’s volunteer coaches.
- Providing hands-on support for teams requiring general or specific technical assistance.
- Assisting SBMC Soccer in creating positive relationships with players, parents and coaches.

### **Qualifications and Experience**

The basic qualifications for this position are a love of soccer and genuine interest in coaching youth to help them develop as players and individuals. While specific coaching experience, experience in teaching children and course qualifications are preferred, SBMC is prepared to train (and pay for coaching courses for) otherwise suitable candidates.

All SBMC coaches are required to obtain a Criminal Record Check.

**Compensation:** Compensation will be determined in discussion with successful candidates commensurate with his or her qualifications, experience and time commitment.

**Application Form:** Interested applicants are asked to email the SBMC Soccer Committee c/o [sbtreas14@gmail.com](mailto:sbtreas14@gmail.com) with your initial interest and resume.
